NOTICE

Start of Class of WEBEL Digital Academy at Shyampur Siddheswari Mahavidyalaya

We are glad to inform all 1st year students across disciplines and programme that the Institute is proud to host the '1st WEBEL Digital Academy' in the rural Bengal with a focus on Skill Development and Employability Enhancement of the students of modern generation. In this digital age, the College is committed to enhance computing skill every student of the Institute and that too with a nominal cost to be paid purely on quarterly basis (3 months fee together) spread over next three years. **This training of WEBEL Digital Academy is mandatory for every 1st year student of the Institute (2024-25 admitted batch)** and their successful joining in the WEBEL Digital Academy to be checked during examination form filling up of the corresponding semester. Students admitted in 2023-24 (present 3rd semester) and 2022-23 (present 5th semester) can also join in this course after due submission of necessary fees.

Classes of the 1st batch of students will start in the 1st week of February 2025 with WEBEL classes integrated within the regular class routine. The venue will be the new Computer Lab at the top floor of the main building. Examination will be entirely conducted by the WEBEL authority after the semester end examinations of the University.

All 1st year MDC students, BA-Hons students will attend a primary Computer Skills covering MSWord, Excel, PowerPoint, Emailing, Correct use of Website, Cyber security etc.

At the next level, B.Sc. students may attend advanced courses on Artificial Intelligence (AI) and B. Com may attend course on Tally and ARTS student will attend courses on animation.

The Course Structure along with Course fee to be made for the 1st year of the Course is presented below. Students will get certificate annually from WEBEL after successful completion at each level.
