As per the terms of condition of the training provider most of these courses would be arranged at the college campus; under the supervision of Faculty Supervisors (enlisted below) and respective Heads of the departments. This is expected to provide a congenial environment to the students; however, there are specific courses viz. Basic Electrical Technician, Basic Electronics Fundamentals, and Basic Emergency Medical Technician for which students need to go to the Bagnan office of George Telegraph. **However, students or departments have the liberty to choose their organization of interest where they can work with one college teacher as supervisor during the period mentioned above strictly and would let the dept. know their involvement by 04/05/24.**

After mutual discussion with the training provider, the fee for each internship program is set at ₹300(Topics 1-6), Except for Basic Beauty care (by George Telegraph Institute) which is set to ₹400 (topic 7), and Tourism & Hospitality management which is set to ₹200 (topic 9) with the college subsidizing ₹100.

In addition, for Beauty training and gorgeous makeover, the fees are set to ₹100(topic 8) (no subsidy from college).

Courses under Utakarsha Bangla would be of similar price and similar subsidized amount from the college.

Every student needs to mandatorily fill out the Google Form link <https://forms.gle/QZ3AWyLbXKNou6FX8> by May 5th, 2024, to select their domain of internship program. The students should make online payment by 15th May 2024 using the following steps:
